

Peeled Baby Carrots

Southern Selects peeled baby carrots with tops bring color, texture and flavor to the plate. Our hand peeled carrots have their clipped green tops in place to create a great presentation and show freshness. Like all carrots, these babies are loaded with nutrients.

Carrots two ways!

Enjoy our fast selling orange carrots with tops. These carrots are a best seller in the category. Customers enjoy the fresh flavor and excellent presentation.

When it's time to wow them with something totally new, serve our Rainbow carrots! Talk about excitement on the plate, these carrots are a spectacle to behold. We pack several different colors, including white, yellow, purple and orange.

Carrots are a good source of vitamin A that is very important for healthy eyesight, skin, growth, and helps our body resist infection. Carrots are also a great source of beta carotene. Beta carotene is linked to reducing chronic diseases such as cancer and heart disease.
