

Let's grow something special.

Southern Selects

Baby Carrots

Southern Selects peeled baby carrots with tops bring elegance to a whole new level. They are hand-peeled, ready-to-eat and are a best seller in the category. Our baby carrots bring color, texture, and flavor to the plate.

Chefs enjoy using these petite vegetables with their trimmed green tops left on to showcase dishes and freshness. Like all carrots, these babies are packed with nutrients and beta-carotene. These sweet, vivid orange baby carrots will certainly give you a natural dose of preventative medicine!
